

Café @ AMP

Your ***NEW*** café will be reopening on the 2nd January 2018 and will be operated directly by the team at the AMP Technology Centre. Refreshments are served directly to your meeting room at the times you specify. We hope that you can find a perfect accompaniment to your meeting. Please do not hesitate to suggest any alternatives if you can't find what you are looking for. ****WE ARE ALWAYS WILLING TO HELP****

Hot buffets and meals are also available – please ask for details. Please also advise us about any dietary requirements, allergies and intolerances at the time of booking.

We work to a minimum order quantity of 5 people for delivery to meeting rooms. If your meeting is for less than 5 people we would love to serve you at the café till instead.
